PROFILE

Computer Engineering student with hands-on experience in web development and MERN stack technologies. Skilled in JavaScript, React.js, Node.js, Express.js, MongoDB, HTML and CSS, with a strong interest in building responsive and practical full-stack applications. Seeking opportunities to apply development skills through internships and real-world projects.

EDUCATION

Bachelor of Engineering – Computer Engineering

2024 – 2028

Sinhgad Institute of Technology, Lonavala

SKILLS

Programming Languages

Java, JavaScript

Backend

Node.js, Express.js

Tools

Git, GitHub, VS Code, Postman

Core

REST APIs, Responsive Web Design, Problem Solving

Frontend

HTML, CSS, JavaScript, React.js, Tailwind CSS

Databases

MongoDB, MySQL

Deployment

Netlify

WORK EXPERIENCE

Webstack Academy

2025 – 2026

- Practiced frontend development using HTML, CSS, JavaScript and React.js.
- Worked with Node.js and Express.js for backend development and REST API concepts.
- Learned MongoDB for database design and application data management.
- Used Git, GitHub and deployment tools while building and managing web projects.
- Developed practical understanding of full-stack development workflows.

PROJECTS

Visitors Pass Management System

Full-stack web application developed using the MERN stack for managing visitor registration and pass-related workflows. Implemented frontend and backend functionality with database integration and API-based communication.

SmartPass AI

AI-powered visitor and access-management project designed around smart registration, face verification, document intelligence and an AI-based policy/rules assistant. Built as a practical project combining web development with AI capabilities.

Bella Vista – Restaurant Website

Responsive restaurant-themed website built using HTML and CSS, featuring a hero section, menu, gallery, about and contact sections, with focus on clean layout, navigation and mobile responsiveness.

Holiday Destination – Lonavala

Multi-page tourist guide website built using HTML and CSS to showcase attractions, forts, hotels, nature spots and adventure activities in Lonavala. Designed with responsive layouts and structured navigation.
